Ordinary houses downtown now asking \$4.4 million dollars. Something is happening. Is this the "covid" quarantine (gold-plated) silver lining? If you had all the money to spend, where would you want to hunker down for the next few years.

Hard to say which end of that boat is the bow and which is the stern.

SBREADER AUG 15, 2020 06:53 PM REPLY

No it is not.

Must have been designed by two yacht architects that had a disagreement. Looks like a stack of pancakes on a sausage.

this is right in your "wheel house" yacht! Your design assessment is on point

JERRY Jones, not Jenny, Dallas Cowboys owner.

ROGER AUG 15, 2020 05:25 PM REPLY

Jenny Jones that is what I said...

REX OF SB AUG 15, 2020 05:37 PM REPLY

Why in the world is Jenny Jones coming here? Are Portia and Ellen getting a divorce? Is it a slow news day? Did she come here to weigh in on the street-renaming controversy? Enquiring minds want to know. Oh yeah, and where did she get the \$\$\$ for that yacht? It's got to have set her back at least a couple of hundred thou.

Did it cruise into the harbor or drop anchor outside the harbor?

Eight billion dollar Man, Mr.Jones, not your average Indiana Jones. Like the man on our \$100 bills, got rich from insurance. Dr. Freud would comment, sometimes a boat is just a boat. Wonder how he protects it in the open seas from pirates, like they say on their license plates, Don't mess with Texas!
